

March 31, 2015

Notice to MAAP Certified Professionals, Members and Students:

At its last meeting on March 21, 2015, the Certification Board voted to make several changes, which are listed below along with effective dates. If you have any questions regarding the changes, please contact the MAAP office by email at info@msaap.net or at 601-321-2085.

1. Effective March 31, 2015, IC&RC written certification exams will be given twice a year, in March and September.
2. Effective March 31, 2015, in order to acquire Ethics training to submit for initial certification, the applicant must obtain education from the following approved trainers: MAAP (CADC, CAADC, CCS, and CCJP) and DREAM (CPS). Training obtained from sources other than MAAP or DREAM will be denied. This does not affect persons who became certified with MAAP prior to 03/27/2015.
3. MAAP Certified Professionals will be able to access the website to see the status and expiration date(s) of their certification(s).
4. MAAP members will be able to access the website to see the status of their membership and expiration date.
5. Effective March 31, 2015, the Certification Application Manual and Portfolio for all credentials will be available on our website, at no charge (the charge will be incurred during processing of the application).
6. Effective March 31, 2015, the fee for Certification Application processing is increased to \$130 for MAAP members and \$190 for non members.

Thank you for all you do in the recovery community,

Sincerely yours,
